# RESERVATIONS FOR LIFE

I'm saving a seat for the first 1,000 men who get tested for prostate or colon cancer. If you're 45 or older and living in or near Harlem make the call, get the test, then join me and some NBA friends at the AMC Magic Johnson Harlem 9 for the Harlem Men All-Stars Evening, March 2007.

These low-cost tests can save your life by catching a problem before it becomes life threatening. Find out if you qualify for free testing.
